The Concept

These boxes are a professionally curated culinary experience for your clients to create memories with their loved ones.

Designed to be practical and thoughtful, as clients often have an empty fridge and pantry when they move into their new home.

Our Boxes

Made in
Mississauga,
with 100%
sustainably
sourced wood
from Ontario
forests.

Each box is
dinner for 4,
paired with a
privately
imported wine
you can't find at
the LCBO.

Custom Engraving

We offer the option of engraving your logo and/or a sentiment on the lid.

This helps build your personal brand and elevates the presentation of the boxes.

Handwritten Notes

Every box will include your personalized message to your clients, handwritten on a card.

This is an essential element of our gift boxes. We want them to be personalized and carry sentimental weight. Handwritten cards show care and thoughtfulness.
